EMMAWOODS'S TRIAL

EMMAWOODS'S TRIAL

Woman Charged with Shooting

Lew Brown Faces a Jury.

Head man. He testified to the identity of the dead man. County Physician Daniel Elliott, who made the post-mortem on Brown's body, testified that death was due to a bullet wound in the heart. He found the bullet in the heart sack. He identified a bullet shown him as the one causing Brown's beath, and a blood-stained undershirt. With a hole in it, asone worn by the dead man.

Patrick Gaynor, who has been in jail as a witness since the shooting, swore that he had known Brown for five years and Emma Woods a little over a year. The day before the shooting, about 1 P. M., he was around Brown's, and with John Hand was cutting grass in the fron yard of Brown's house, at 317 Warren street.
